MADAM VIJAYALETCHUMI
MISS FOO SUE MAY
MISS TAN SIEW FONG

Every year the administration, together with the School Band Teacher-Advisors, decide on the "Wish List" items for the Assunta Symphonic Band. Although these items are important, they are not covered by the operating budget. In the past, the generosity of parents, alumni and various corporates and organisations has allowed us to have Wish List items such as a new band room, the repair of old instruments, the purchase of new/second hand musical instruments and the payment of tutor fees.

*This year there are four Wish List items:
Improve the condition of the Band Room
Make a Collapsible Multi-Level Band Stage
Purchase more musical instruments
Sponsor new music scores*

2011 Wish List Item #1: Help us improve the band members learning environment by donating funds so we can purchase and install air conditioners)

Currently the band room is supported by 6 wall fans and 1 stand fan. However these fans can no longer provide the needed ventilation for the growing number of band members. It is very hot and humid especially when the door is closed. A generous parent has helped the school band install the wirings and air conditioner switches. However, we need three 3.0hp and 1.0hp (store room) air conditioners to provide the band members with a better playing environment.

Cost: Approximately RM13,000

2011 Wish List Item #2: Help us improve the Band Performances by donating funds so we can custom make a collapsible multi-level stage)

It is going to be an annual affair for The Assunta Symphonic Band to hold concerts since its change from a marching band to a concert band. The school hall has a stage but there is not enough space to accommodate big instruments like the timpanies for instance. Parents who attend the concert would also like to see their children perform which is quite difficult if the arrangement is on a single level basis.

Cost: Approximately RM10,000

2011 Wish List Item #3: Help us upgrade Assunta music education by donating gently used instruments (or donating funds so we can purchase them)

While continuing to prioritize technological advances across the school when they best enhance our students' learning, Assunta Symphonic Band is seeking to strengthen its instrument repertoire. We are seeking donations of used and new instruments that span the musical spectrum, including clarinets, trumpets, baritones, flutes, saxophones, bass clarinets, and bassoon. We would particularly welcome working music instruments that could be used in various performances.

If you do not have any instruments but would still like to support our efforts to upgrade our musical instrument library, please consider donating funds towards prior-owned instruments.

2011 Wish List Item #4: Help us by sponsoring music score sheets used by Band Members in the coming concert.

We would also appreciate your donation towards the purchasing of new score sheets which will enhance the members' band performances.

Cost: Approximately RM2,000

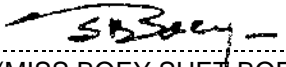

You can make a pledge by contacting the School or the Teacher Advisor, Miss Boey. For Corporates/Organisations that contribute, the school band would like to show its appreciation by providing free electronic advertisement during the concert.

Thank you for helping us make beautiful music together...
